

## 2021 Eclectic Tournament

The sign-up sheet for this year's Eclectic tournament is on the bulletin board. Sign up now and drop your \$6 payment, checks payable to the LOP Lady Niners, in the wooden Lady 9'ers box in the Pro Shop.

The word "eclectic" means choosing from various sources. In this case, we choose your best scores for each hole from various rounds played. You must play a minimum of 5 qualifying rounds on the front and 5 on the back over the course of the tournament. Your lowest scores will be combined for an 18-hole total. November handicaps will be subtracted from this total to calculate your net score. All money from sign-ups goes back to multiple winners announced at our annual In/Out awards meeting in January.

The tournament begins with the March 2<sup>nd</sup> sweeps and runs through November 16<sup>th</sup>. **Only scores recorded in an LOP Lady 9'ers tournament (e.g. sweeps, TOC) when playing from your selected tees will be used.** It will not be necessary to turn in a 2<sup>nd</sup> score card to record the Eclectic scores as we will be using the tournament scores entered into Golf Genius.

Have fun improving your scores!
