

2021 Team Play

The signup sheet for 2021 Team Play has been posted on the Lady 9er board at the Sports Lounge.

For those of you unfamiliar with Team Play, it is a friendly competition between clubs sponsored by the Women's Nine Hole Golf Association (WNHGA). There are four Regions (Central Valley, East Bay, Peninsula, and River Valley). Three of the four Regions have a Division A and B. LOP is in River Valley Division A which is made up of 4 clubs (Lincoln Hills, Cameron Park, Lake of the Pines and Rancho Murrieta). Lincoln Hills hosts the first team play on May 5th, followed by Cameron Park on June 10th, LOP on June 15th, and Rancho Murrieta on June 24th. The winner of each Division will move onto the championship tournament hosted by Sequoyah CC (Oakland Hills) on August 11th

To be eligible for Team Play, you must have a fully established 18-hole index with ten-18 hole rounds. These ten-18 hole rounds or combined 9-hole rounds must have been played and posted within the past 24-month period prior to the Handicap Revision Index date for the game you are scheduled to play. For example:

Our first tournament is May 5th. The Handicap Revision Index to be used is the 15th of the preceding month. So, for you to be eligible to play on May 5th, you must have posted 10-18 hole rounds or combined 9-hole rounds within the past 24 months prior to April 15th.

Because of COVID-19, we are planning with some uncertainty much like last year taking it a day, a week and a month at a time.

The next step after signups is to meet via, Zoom with those ladies interested in playing this year. Lauren and I will find a date in March and send it out to you. If you are uncertain about playing this year but curious, signup anyway and join us on Zoom.

We look forward to another exciting and fun filled year of Team Play!

Cathy Sulinski (Team Play Captain) and Lauren Dummer (Team Play Co-Captain)
