Special Shout Out to Cindy Aanenson guest and former member of the Niners, who played for fun but was able to “plant her flag” well into the # 10 fairway.

Special thanks to Camilla Bastian and Carol Marting for working the sweeps table. It was a long morning for them.

...and to Mona Stolz for her assistance in preparing and scoring for this tournament as well as well as to Lauren Dummer for getting this information onto the website.

All scores have been posted to GHIN and applied to the eclectic tournament.
